Mark, This is in regards to our court ordered deadline of this Friday to sign a decision action on the Deschutes TMDL which we plan to partially disapprove. Not sure what attention it will get, but NWEA is expected to release and place a "press release" on their website.

Dave --

Angela and I are talking about our anticipated action and thought it would be good for me to both close the loop with you and pass the baton to Angela since she will be signing.

FOIA exemption (b)(5)

Big thanks to everybody for the push to the finish, especially the extra focus by Miranda and Leah.
